STEP-BY-STEP INSTRUCTIONS

1

Preheat oven to 350°F. In a large bowl, combine the whole wheat flour, eggs, pumpkin, peanut butter, salt, and cinnamon. Stir until a dough begins to form.

2

Transfer the dough to a lightly floured surface and work it with your hands until it comes together. If the dough feels too dry, add water 1 teaspoon at a time just until workable.

3

Roll the dough to about ½-inch thickness.

4

Cut into strips, squares, or fun shapes using cookie cutters. Place the treats on a baking sheet.

5

Bake for about 40 minutes, or until the treats are firm and crunchy. Let cool completely before serving to your dog.

TIPS & VARIATIONS

For extra-crunchy treats, leave them in the turned-off oven for 15–20 extra minutes after baking.

If the dough feels sticky while rolling, lightly dust the surface with additional flour.

Bone-shaped cookie cutters make these especially fun for gifting or special occasions.

Store cooled treats in an airtight container to help maintain freshness and crunch.

Some dogs love a little extra peanut butter flavor — you can add an additional spoonful if desired.
