TEMPERATURE

Boil

YIELD

12 balls

≡ INGREDIENTS ≡

- 1 pkg. Jello (color and flavor of your choice; this will be the color and flavor of your popcorn balls)
- 1 cup sugar
- 1 cup Karo syrup
- 6 quarts popcorn
- Butter (for your hands)

≡ STEP-BY-STEP INSTRUCTIONS ≡

- 1 Combine the Jello, sugar, and Karo syrup in a medium-sized saucepan.

- 2 Mix together well.

- 3 Bring the mixture to a boil slowly over medium heat.

- 4 Pour over the popped corn.

- 5 Butter your hands well, then shape the popcorn into baseball-sized balls.

- 6 Lay out on wax paper to cool.

RHINO TIP

Try different Jello flavors for fun colors and flavor combinations. Lightly buttering your hands makes shaping the popcorn balls much easier.

≡ TIPS & VARIATIONS ≡

♥ Green Jello makes cute Christmas wreaths for holiday parties.

♥ Use small candies for eyes and get creative for Halloween.

♥ Use silicone molds for some really fun shapes.

♥ Package them in treat bags for parties or team snacks.
